CALL SCRIPT:

Hi _____. I'm calling with a simple request as we approach Election Day in Pennsylvania on November 4. Can I sign you up for the Pre-K for PA petition over the phone? The petition is to ensure that all 3- and 4-year-olds can access high-quality pre-kindergarten. Pre-K for PA is a statewide coalition working to make sure all kids can enter kindergarten ready to succeed. Right now, only 1 in 6 kids can access a good-quality pre-k with public funds. Pre-K for PA is nonpartisan -- we need to demonstrate to all candidates for Governor and the General Assembly that pre-k must be a priority.

## ADDITIONAL RESOURCES:

- Pre-K for PA's website: www.prekforpa.org
- We're also on Facebook and Twitter (@prek4pa)
- We believe that high-quality pre-k is a smart, pragmatic way to make sure all kids can enter kindergarten ready to succeed. As it is now, publicly funded pre-k would be voluntary and can be delivered either at a private preschool setting or alternately in a public school. Local communities decide what works best.
- There are great social media graphics that you can share on Facebook and Twitter: visit www.prekforpa.org/share.
