

Mission Readiness - Cross Tabulation Report, February 2023

TABLE OF CONTENTS

DEMOS

Table 1	Page 1	Now, thinking about some public policy issues being discussed in Harrisburg for a few minutes... Q1. Research has proven that the first 5 years of life is the most rapid period of brain development. How important do you believe early childhood education is to helping people lead healthy and productive lives - would you say very important, somewhat important, not very important or not
Table 2	Page 2	Every year when state lawmakers and the governor agree to a state budget for the fiscal year, they make important decisions about which state programs and/or services receive continued state funding. Sometimes increasing funding for one program or service could mean reductions in another. Below are examples of programs or services funded by state tax dollars. After each, please tell me if you think the state should increase its allocation of funding so more Pennsylvanians could be served. Q2. Pre-k programs for lower and middle-class families? Currently more than 100,000 eligible children
Table 3	Page 3	Q3. High-quality childcare for low-income working families so parents can continue to contribute to the economy and children can continue to learn in a safe environment?
Table 4	Page 4	Q4. Home visiting programs that provide voluntary in-home parental support services to expecting parents and families with young children? Research suggests these programs improve maternal and child health and reduce abuse and neglect while helping young families become more self-sufficient.
Table 5	Page 5	Q5. Since the start of the pandemic nearly 1,800 Pennsylvania childcare programs have closed citing lack of staff as the primary reason, and a recent survey found that half of the current childcare workers are considering leaving their jobs. State data shows that on average childcare teachers earn about \$12.43 an hour. Do you favor or oppose allocating state funding to increase the wages of childcare workers so more families don't lose access to these programs?
